# Ms. Sandhya U

Garden City University – OMR Campus

HUMAN RESOURCES

ADVANCED AI APPLICATIONS IN HR

09 JAN 2026 – 02 APR 2026

Ms. Sandhya U has successfully completed her **Internship Training Program** at **LeadZen Technologies** in the domain of **Human Resources**, with a specialization in **Advanced AI Applications in HR**, during the period from **09-01-2026 to 02-04-2026** at our Bengaluru office. During her internship, she demonstrated outstanding dedication, professionalism, and a proactive approach towards learning and executing assigned responsibilities. She actively participated in various HR functions, including **recruitment coordination, onboarding support, and employee engagement initiatives**, contributing effectively to team activities.

She also gained valuable hands-on experience in utilizing **AI-driven HR tools, HR analytics, and process automation**. Her ability to understand, adapt, and apply modern HR technologies in practical scenarios has been highly impressive. She consistently delivered quality work, adhered to timelines, and maintained a positive and collaborative attitude throughout the program. Based on her overall performance, commitment, and contribution, we are pleased to rate her performance as **EXCELLENT**.

*We appreciate her efforts and wish her great success in all her future endeavors.*
